

870qx

Coaxial-horn for 8" and 1" driver

directivity $60^\circ \times 40^\circ$

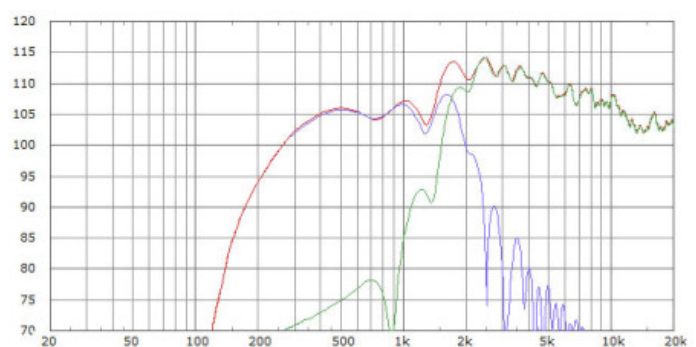

range 0.35 -20 kHz

size 39 x 32 x 24 cm

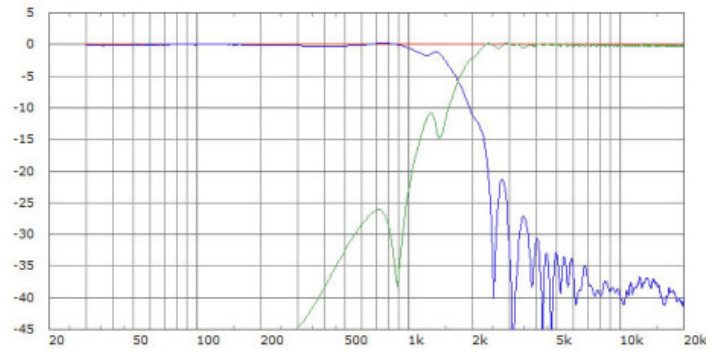

weight 3.3 kg

displaced volume 11 l

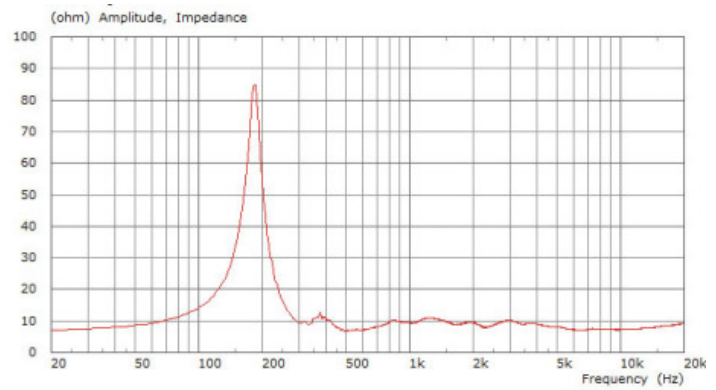

suitable drivers: B&C 8NSM64 or RCF MR8N301
and 1"-drivers of a diameter not exceeding 92 mm

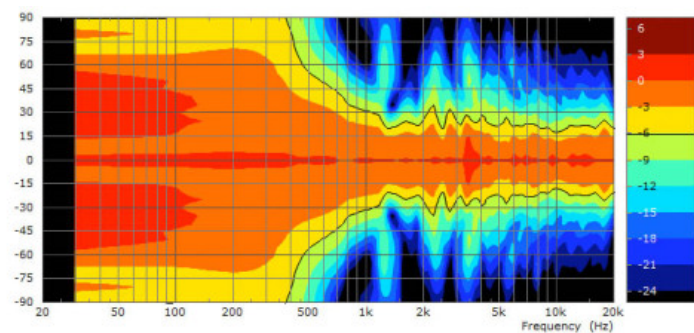

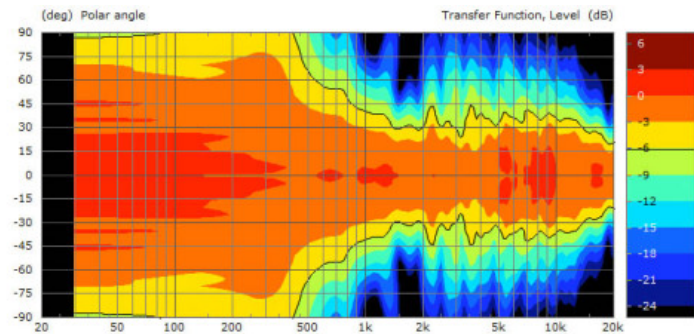

Frequency response with a simple passive 12 db crossover
using B&C 8NSM64 and DE360 1W 1m
no impedance compensation, no equalizing

Graphs normalized

That is true
